

## Pressure Restricting Angle Valve 1 1/2" with Hydrolator

**FxF  
M4090**

**FxF  
M40850**

300 lb (2070 KPa) pressure tested approved valve. Heavy Duty 2-1/2" pressure restricting angle hose and hydrolator valve. Automatically drains and vents, safeguarding against hose deterioration. O-ring packing and red cast handle. Forging Bonnett and Seat Assembly.

Water pressure is controlled by adjustable flow restriction. If full flow is required, the restriction may be overridden. Furnished with field setting chart. UL/ULC listed and FM Approved.
